Gentlemen - Returning from Colorado, I find your Catalogue of the Louis C. Rice Collection - sold June 17/18/19 - Enclosed find $1 for a priced Catalogue, which please send me - It seems very easy to collect Coins, and Curios, but when offered for sale one can get but a modicum of cost - as you know I have quite a collection, but when I see the prices obtained for corresponding Coins, & then add your cost for cataloguing & selling, it makes me think I had better lump them in a trade for Real Estate here - & then I will know what I am getting - I don't know that I have ever written you of 13 piece Chinese bamboo money - of nearly 300 pieces fan money of Corea - Made expressly for the King - of a hundred or more pieces Gold Japan money, including an Obang - also a large number of Silver pieces - some very elaborate swords, Mark &c - If known would bring big prices -
The Coins are nearly all Catalogued -

Yours very Truly
